About Our Book...

We are the first class to graduate from the new Whitman-Hanson Regional High School. We are proud—proud that we were privileged to pave the way for others in the use of this fine building. We are thankful—thankful that we were given the opportunity to use the many excellent facilities so graciously put at our disposal. And we are happy—happy that we were able to conduct the various programs that are so vital to a successful senior year. We shall not forget the work, the hardships, and the ultimate joys of our one wonderful year in this building.

As we leave our high school days behind, let us not forget what they have meant to us. Let us not forget the struggles of our daily classes nor the pleasures of our brilliant social lives. Let us not forget our teachers and parents, who have played such an important part in shaping our characters for the lives that lie ahead for all of us—the students of today, the leaders of tomorrow. May our CORNERSTONE be the block upon which we build a life of supreme joy, happiness, and success. Let us not forget . . . .

Dedicated To....

Four years ago, when the need for new high school facilities became apparent, a group of interested people began the planning of a new regional school. For two years, the Regional School Planning Board, together with the townspeople, worked to provide us with a new school. In September, 1960, the work was finished, and about 850 eager students and teachers entered the new Whitman-Hanson Regional High School.

To show our deep appreciation for work they have done, we, the class of 1961, dedicate our book, the 1961 Cornerstone, to the Regional School Planning Board, and to our parents and friends, the people of Whitman and Hanson.

A broad program serving

WHITMAN-HANSON REGIONAL HIGH SCHOOL
WHITMAN MASSACHUSETTS

February 27, 1961

My dear Graduates:

During your four years as high school students, you have experienced such changes as double sessions in the old building, and a first year in this beautiful new school. You have made all necessary adjustments with grace, and will find that in so doing you have prepared yourselves for those adult responsibilities which you must now assume.

The most important advice that I can give you is that in life, it matters not what task you may be doing. The important thing is how you do that task. Use the knowledge and skills you have acquired to benefit yourself, your family, your community and your country.

To the Class of 1961 I offer my congratulations and best wishes for happiness and success.

Sincerely yours,
Phillip H. Johnson, Jr.

SUPERINTENDENT'S MESSAGE

By implication we view a cornerstone as a fact or condition upon which others can be built to form a complete structure. The worthiness of the cornerstone then becomes a determinant in large degree of the value of the structure. You have been laying a cornerstone of education upon which your life is being, and will continue to be, built. Education gives you the knowledge which opens the doors to truth. It develops the skills, manual and mental, which you need for your daily existence. It shapes the attitudes which govern your thoughts and actions toward people and events. It increases your understanding of the realities of your life as well as your appreciation for aesthetic values.

By building your life within the framework of these five elements, based on the cornerstone of a sound education, you can make it a truly strong and beautiful experience.

One Goal Reached..

The Next In Sight

SENIORS

As our Senior year draws to a close, we have finished the first stage of the foundation of our lives. As we set out on our separate paths, we all have one thing in common: a firm foundation for all our endeavors. With the expert guidance of our advisors, Mrs. Howe and Mr. Franey, we hope we have made our last year a tribute to our class and our school.

SENIOR CLASS OFFICERS

Jeffrey Ross, President, Linda Erickson, Secretory, Mr. Franey, Advisor, Linda Salminen, Vice President, Mrs. Howe, Advisor, John Compbell, Treasurer.

REFLEXIONS

Early in September, 1957, accurred an unheralded event in the annals af time. Thraugh the portals of that ancient institution of learning—Whitman High School—ambled the class of 1961. As we searched the corridors far aur assigned classes, we endured the taunts and jeers of the merciless upperclassmen.

Our first year we had no class afficers, but we were prompt in selecting Lynda Marse, Marilyn Derasier, Jeff Ross, Linda Erickson, and Linda Salminen as Student Council Representatives.

Chasen as cheerleaders fram aur class wer Mary Lynne Farrell and Ruth Moneghan. With the aid of their booming cheers the basketball team capped its first league championship in many years.

Before we knew it we were Sophomores, enjaying shorter schaal days under the double sessian system. Under the leadership of our appainted advisors, Mrs. Hawe and Mr. Franey, we elected as class officers: Jeff Rass, President; Linda Salminen, Vice-President; John Campbell, Treasurer; and Linda Erickson, Secretary.

Our undefeated football team, strengthened by many Sophomores, began its impressive list of triumphs by abruptly ending Oliver Ames' 28 game winning streak. Added to aur faithful cheering group was Gail Pitkanen.

Also, we were proud to note, the entire core af the band's baton twirlers cansisted af Sophomore girls—Ann MacGregar, Jean Brotherson, Linda Ericksan, Ellen MacGregar, and Jaanne Durand.

Our sacial event af the year was our dance, "A Night in Chinatawn," which was held an a dismal, slushy evening in spring. The decorations were elabarate, and the refreshments included Chinese fortune cookies.

After summer had passed, we returned ta the same ald building, but now we were the Panthers af Whitman-Hanson Regianal High Schaol. We re-elected aur highly dependable class afficers and Mrs. Howe and Mr. Franey cantinued as aur advisars. On November 13th

—Friday no less—we held our first social event, "Swinging on a Star."

Although not undefeated this year, our football team had an impressive five won, one lost, two tied record.

Our ring committee made an important decision—it chose a ring to be standard for future years.

Our highest ranking class members were recognized by being inducted into the National Honor Society. They were: Brian Bereika, Sandra Budlong, Linda Flavell, Arlynne Lawless, Ann MacGregor, Ellen MacGregor, Austin Zipeto, Fred Bail, Richard Holman, Frank Rowell, Mark Sweeney, Robert Vokey, Nancy Marsh, Connie Pearson, Virginia White, and Mary Wood.

On May 6, in the town hall, we held our prom, the "Junior Promenade", over which reigned queen Gail Pitkanen and her court. Everyone worked many hours to insure its success, and fine weather made it a night we shall long remember.

As June rolled around, we anticipated being the superior Seniors in our new school building, after being the "underdogs" for three years.

When September arrived, we once again found ourselves wandering around—lost amid all the modern furnishings of the new school.

In appreciation for their devoted work, we retained the class officers who had served us the two previous years.

We were privileged to be the first to hold a social in our beautiful, indirectly-lighted cafeteria, our Senior dance, "Three Coins in a Fountain."

Under the leadership of Brian and Jeff, our football team evened out the season with a four and four record.

Soon after the season closed, we as a class, honored the football team with the customary banquet.

As we write this, we are yet to put on our Class Play, write our Spellman Essays, and enjoy the festivities of graduation. We will then be ready to journey forth, knowing that we have been well-prepared to fulfill our ambitions in life.

Class Motto: Ad Astra Per Aspera—To The Stars Through Difficulties.

Class Flower: red rose.

Class Colors: red and white.

JUNIOR PROM

On the evening of May 3, 1960, about two hundred gaily dressed couples attended the "Junior Promenade" of the class of 1961. We danced to the music of Noble Lapworth's Orchestra, participated in the Grand March, and applauded the choice of Gail Pitkanen as queen. It was an evening that made a vivid addition to our book of memories.

"CHEAPER BY THE DOZEN"

"Cheaper by the Dozen," is a hilarious comedy about a famous efficiency expert, Mr. Gilbreth, and his systematically-run family. Mrs. Gilbreth is the constant buffer between her husband and her children, especially between Anne, the oldest child, and her father.

Anne is seventeen and has never had a date. With her sisters' help, she creates many amusing situations while attempting to persuade her father that she is old enough to have that "someone special." This play should provide really amusing entertainment for all.

TRIES FOR

Best Book Yet

The staff of the 1961 Cornerstone has worked long and hard to present an informative and interesting book to the graduating class and the underclasses. An entirely new set-up, with a great many more pictures, has been developed by the editorial staff with, we feel, very satisfactory results.

Particular attention was given to the underclasses, whose pictures were divided into three sections to permit a clearer effect and to give pages of more lasting pleasure. Every action shot was given a caption to bring back cherished moments of our high school days.

The business staff worked assiduously to garner the funds necessary for this project, and did a "bang-up" job. The ever-co-operative typists contributed unstintingly of their time and effort to "meet those deadlines."

The 1961 Cornerstone staff hope they have developed a book that will be cherished by all through the years ahead.

This year as Juniors we have been fortunate in attending the new Whitman-Hanson Regional High School and even though the school was new and unfamiliar to us, it has proven to be a very successful and rewarding year. We hope the Junior year of the future classes will prove to mean as much to them. When we become Seniors, we hope we too will be able to do justice to the school, faculty and other classes.

We wish to extend our sincerest wishes to the Senior Class. We hope your graduation is a happy and memorable one and that your future holds much success and happiness.

THE SOPHOMORE CLASS

Our Sophomore year has been a double thrill because we not only entered our new school but we were able, for the first time, to take part in school activities and become better acquainted with the faculty and upperclassmen. We are very grateful for the cooperation and understanding of everyone who made us feel welcome.

Under the direction of class advisors, Miss Kelleher and Mr. Burbank, our class has had a successful year, with many members participating in F.N.A., F.T.A., Band, and various sports.

The members of the class have enthusiastically entered into the life of the school, taking part in the various activities and sports. We feel we have been a real part of the school, and plan to make our next three years as enjoyable as this first year has been.

ACTIVITIES

With the more varied facilities of our new school, the number of activities we now have far surpasses those of previous years.

We are now able to enjoy such numerous activities as Visual-Aids Club, Dramatics Club, Guitar Club, and Art Classes.

NATIONAL HONOR SOCIETY

The National Honor Society is an organization of honor students who have been chosen by the faculty to be admitted to the Society. There are four considerations to be reviewed before a student is admitted. He must obtain honor grades. He must be a leader, for leadership is necessary in life. Character is also essential; that of a member of the Honor Society must be above reproach. Lastly, a member must be ready to serve not only his school, but his home and his country. These qualities of character, leadership, service, and scholarship are vital to anyone who wishes to become a member for without all four qualities it is certain that he will not be admitted.

STUDENT COUNCIL

Now that we are getting adjusted to our new surroundings, the need for a strong and able student cauncil becomes more impartant. We have had such a student council this year. It has been inspiring the way these individual students have pitched in to assist in the many various projects.

The main project of the year has been ta start a school newspaper. The money not used in this project will be put to good use by the donation of a gift ta the school at the year's end.

The Whitman-Hanson Regional High School Band, consisting of forty-five members, is under the direction of Bandmaster Donald Leach. The band has played at all football games and rallies throughout the season. Regular rehearsals are held daily in the new music room.

This year the drum majorettes and cheerleaders performed valiantly at all of the faatball games. The drum majorettes marched in the Veterans' Day and Memorial Day Parades, and attended the annual Music Festival.

CHORUS

Miss Giberti, our director, has aimed to initiate students into music from the Classical era to the twentieth century. She has also tried to promote a cultural understanding of music, not only for the chorus members, but for the audience as well.

The chorus began practicing the beginning of December for its first appearance, at the Christmas Assembly.

March 3, we appeared in the annual concert sponsored by the Band Parents' Association.
This year has been a rewarding experience for all chorus members.

Officers elected were: Herbert Hokanson, President; Pauline Barrows, Vice President; Gloria Benner, Secretary; and Barbara Sheehan, Treasurer.

Since the purpose of the club is to further fluent use of French, members speak as much French as possible at each meeting. Entertainment enjoyed by the club is usually a short French play, French records or the reading of French literature.

ATHLETICS

One major task of a high school education is building character, and athletics play an important role in fulfilling this requirement.

Although some of our teams have experienced difficulties this year, we feel that all have been outstandingly successful in teaching true sportsmanship and in developing good character.

FOOTBALL

Hard-hit by graduation and hampered by injuries to key players, co-captain Jeff Ross and Brian Bereiko, this year's football squad finished with an even 4-4 record. Coach Teahan's offense, sparked by the ball handling of senior quarterback Paul Nugent, was bolstered by some fine-running underclassmen. Coach O'Connell had a big line to work with, headed by seniors Graham "Crockers" Rogers, Don White, Austin Zipeto, Tony Cantoni, Dave Freeman, Frank Rowell, and Fred Bail.

Facing many obstacles throughout the season, our stalwart Panthers took their successes and their defeats in true sportsman-like fashion—the aim, after all, of any sport.

BASKETBALL

This has been another "rebuilding" year for the basketball squad. Coach Spratt, while working mainly with seniors Gerry Ferris, Don White, Fred Bail, Jeff Ross, and Dennis Chick, has concentrated on developing some promising underclassmen.

Lacking height and suffering from numerous "cold" spells, the team couldn't seem to get started, but nevertheless they never gave up. The student body proved its loyalty by staging a pep rally at mid-season.

Coach O'Connell has most of his storting infield returning, with Paul Nugent ot first, Mike Sweeney at second, and Mork Sweeney at third. The many and varied events offered by track always draw a large number of eager candidates, and this season should be no exception. The track team will be coached by Mr. Dunn, a newcomer to our faculty and a former track star at Bowdoin. Returning seniors Jeff Ross, Fred Bail, and John Ahearn should strengthen the team.

Row 2: N. Hopkins, Manager, C. Lovell, J. Lindsay, L. Carter, G. Benner, M. Chamberlain, G. Phipps, T. Rockstroh, M. Pratt, E. Smith, C. Grande, M. Randlett, D. Daley, M. Fullerton, M. Sweinimer, J. GIRLS' BASKETBALL

Despite the delay in the opening of the new gym and the handicap of only one week's practice, the girls' basketball team went on to eight wins and three losses. The Junior Varsity also did very well with six wins and three losses.

We topped the season off with a party and the presentation of a gift to Miss Pratt who did a wonderful job coaching us.

Thais Smith and Natalie Martin

Come on, girls, let's get hot!

Row 1: Potty Meons, Bunny Fullerton, Linda Erickson, Thois Smith, Alice Hozzard, Glendo Giddis, Eleonor Corliss, Sondro Churchill.

After losing only two Seniors last yeor, Miss Prott is looking forword to a successful season. Mony of the Seniors who hove been veterans of at leost three yeors will be bocked up by very promising underclossmen.

Miss Prott is expecting a large turn out, as Sophomores and Freshmen will be able to porticipate this yeor. All "softbollers" are eogerly looking forward to ploying on the new softball field and hove great hopes for o winning seoson.
